Freight Audit & Payment Guide

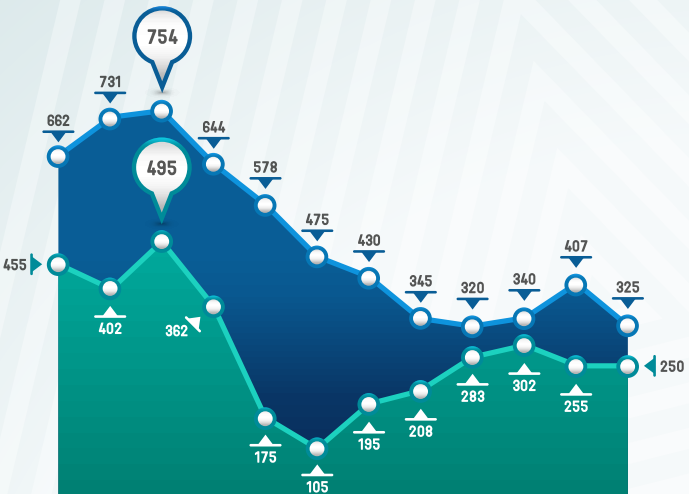

Freight Audit & Payment

- nVision Global specializes in providing global freight invoice audit, payment and transportation spend management services for customers around the globe. Throughout our years of experience, we have become the experts in managing invoices for all modes and services of transportation, from all over the world, in any currency, and in most languages. If you are looking for an experienced, world-class freight audit & payment solutions provider, look no further.
- Our Sarbanes-Oxley compliant solutions allow your organization to access nVision Global's broad experience and technology that has taken us from a regional freight audit and payment service provider, to our current role as the leading global provider of invoice audit, payment and transportation spend management services. Our customers have come to rely on our prompt and accurate freight audit and payment services, as well as our leading-edge transportation spend management analytical tools, to help them manage their overall transportation costs.
